Deceased Subject Found In A Vehicle

On Monday, January 04, 2016 at approximately 6:59 P.M., an officer on routine patrol in the parking lot of Schrom Hills Park in the 6900 block of Hanover Parkway observed a suspicious vehicle in the parking lot. A subject was observed walking near the vehicle. At that time the subject stated something to the officer about having been robbed. Further investigation revealed that there was an unresponsive male in the driver's seat of the vehicle, a Honda Accord 4-door. Officers attempted to resuscitate the subject using a portable defibrillator and the fire department was notified. The unresponsive male was then transported by ambulance to Doctor's Community Hospital, where he was later pronounced dead. The second subject, who appeared to possibly be under the influence of drugs, was transported by ambulance to Prince George's General Hospital for observation. Investigation is continuing, to include determining the identity of the deceased male.
